

## Quick, Concise, and Cool News - March 2018

### Who is on the GAPPP Board?

Do you know your GAPPP Board of Directors?

We'd like all of our members to know who is serving, and giving of their time, to make your regional association better, stronger, and grow every year.

It's not all the glamour that you're imagining - no, it can involve after-hours dedication and sometimes physical labor (but we do get some cool apparel!)

[Check out our web page](#), with photos and contact info, so you'll know who you're gonna call when you...

### Want to be a Volunteer?

*Have you ever wondered how GAPPP is able to put on the events it does each and every year? Well, it's through the help of our Executive Director, our Board of Directors, AND our invaluable volunteers. We're always looking for members to serve on committees and volunteer their time at events. If you're interested in giving back, please email us at [volunteer@gappp.org](mailto:volunteer@gappp.org).*

### Member Spotlight

Meet **DIANE PFEIFER** owner of Grits Bits, a new

member of GAPPP this year.

For those of you who attended the lunch during University on 2/5, you got to hear a little bit about the interesting and adventurous life she's led.

Diane graciously agreed to answer our 10 questions, and her answers will have you saying "Wow!" a few times! Read our brief interview [HERE](#).

Diane is married to Jeff Justice, the keynote speaker / Humor Resource Specialist that entertained Expo attendees before the show opened.

*Do you know someone that everyone in GAPPP should get to know better?*

*We'd love to reach out to them and put them on our front page, too!*

*Just drop a note to [info@gappp.org](mailto:info@gappp.org), subject line MEMBER SPOTLIGHT.*
